The financial viability of the Rudolf Steiner School Trust (Proprietors Trust) must be protected at all times. The Trust is the governing body for the kindergarten and playgroup and also owns the buildings occupied by the Primary School. The Trust's financial records incorporate those of the Trust, the kindergarten, the playgroup and the Out of School care.

In order to maintain an adequate system of internal control:

requires two signatures and payments cannot signed/ processed by both the Administrator and the Executive Officer.

- (b) Each payment will be signed by two authorised signatories.
 - (c) Receipts will be issued for all income on the day received by the Administrator or the Executive Officer. This income will be held in a locked cabinet and then banked within 3 working days. If the income is over \$1,000 it will be banked on the same day.

The Trust accepts responsibility for the preparation of the annual financial statements and the judgements used in these statements.
 - (g) The annual accounts will be audited.
4. The following **financial reporting** procedures will be followed so that the Trust and all budget holders are kept informed of the financial position:
- (a) The Executive Officer will present a summary financial report to the Trust at each alternate meeting. This report will compare actual income and expenditure against budget and will also include a brief report explaining any unusual or extraordinary variances from budget and any other matters to be brought to the Trust. At least a week prior to each Trust meeting the same report will be provided to the Kindergarten Manager. This will be a consultative process as the Manager will be provided with the opportunity to check whether income and expenditure has been allocated to the correct budget line.
 - (b) The Trust will receive and minute the presentation of the financial reports at each Trust meeting where they are presented.
5. All staff, members of the Trust and the school community are informed of this policy and consulted with prior to any changes.
