Dunedin Rudolf Steiner

Learning with head, heart and hands

Health and Safety Policy

Students, staff and all visitors to the school shall have a safe physical and emotional environment.

Therefore, the Management Team shall:

- Take reasonable steps to protect students, staff and visitors from unsafe or unhealthy conditions
- Provide a smoke free environment
- Provide privacy of personal documentation held on the premises.
- Ensure the risk analysis management system (RAMS) is followed where and when appropriate in the Kindergarten
- Ensure that Health and Safety is reviewed at least every term, including procedures relating to Fire, Earthquake, hazard register and First Aid

This policy should be read in conjunction with the Health and Safety at Work Act 2015 and will be reviewed at least every three years.
