Expression of Interest

Thank you for your interest in enrolling your child in our school. Please find our expression of interest form overleaf. We operate within a roll cap of 96 and around 12 places are available for enrolment into Class 1 2026. We have a school enrolment scheme that defines the entrants' priority. If there are more children applying than we can accommodate we will let parents know where they are on the waiting list.

Dunedin Rudolf Steiner School is an integrated primary and intermediate school with Steiner / Waldorf Special Character. To support students, their families and teachers at Dunedin Rudolf Steiner School, it is vitally important that parents/caregivers demonstrate an openness and connection with the special character, aims and purposes of the school.

In order to support parents in understanding the special character of a Rudolf Steiner/ Waldorf School, we provide Special Character information gatherings, talks and experiences.

If you are considering enrolling your child in our school, we would like to invite your family to meet our principal and come for a tour of the school. We also encourage you to familiarise yourselves with Steiner education, attend parent education talks and related events, and visit the school on an Open Day

If you wish to have your child considered for a place in our school, please complete and return the enclosed form either via e-mail to office@dunedinsteiner.nz or post to the address below to arrive by midday Friday the 12th April 2024. If you have any questions, please contact the office.
